

# Priscilla Duffin-Sanders

## Portfolio Introduction

Meet Priscilla Duffin-Sanders - a powerhouse in motion. From high-stakes leadership in government and corrections to emerging tech in cybersecurity, she is the kind of woman who doesn't just pivot - she transforms.

With over a decade of hands-on authority in compliance, investigation, and advocacy, Priscilla is now channeling her brilliance into digital strategy, inclusive leadership, and purpose-driven change. She is the founder of Peace & Serenity, a guide for healing and empowerment, and a bold voice in every space she steps into.

She blends intellect with instinct. She moves with intention. And when she speaks, people listen - because behind her calm presence is a story worth knowing and a mission worth following.

You don't meet a Priscilla Duffin-Sanders every day.

But once you do, you never forget her.
